

# EDIKIO PRICE TAG SOFTWARE

A USER-FRIENDLY TOOL FOR RETAILERS

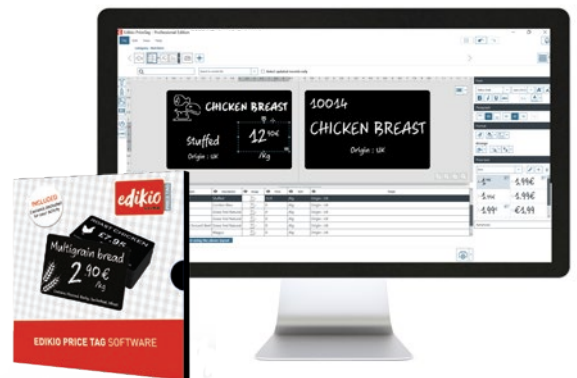

EFFICIENTLY CREATE AND PERSONALIZE YOUR PRICE TAGS

**With Edikio Price Tag software, you can create and customize appealing price tags and labels quickly and efficiently directly at your point of sale.**

These price tags are printed on plastic cards in credit card format (85.6 mm x 54 mm), long formats (120 x 50 mm and 150 x 50 mm) in landscape or portrait mode.

Edikio Price Tag software allows you maximum flexibility to print your labels with a professional appearance on your display stands thanks to:

- User friendly Interface
- Graphical wizards for easy of use
- Categories to manage your products as you do in your store.
- Ability to import of your list of items from Excel, CVS, TXT files.
- Compatibility with macOS and Windows®.

## Rich and customizable content

Whatever your retail focus, Edikio Price Tag Software comes with rich contents dedicated to your needs:

- A sample database list of products to get started quickly.
- A library of 200 pre-designed and fully customizable templates which can be shared among several categories or dedicated to a specific activity.
- More than 400 images to illustrate all activities.
- A dedicated Edikio Chalk font specifically developed for Edikio Software to give your tags a nice traditional touch.

In addition to your price tags, you have also the possibility to create employee badges, loyalty or gift cards.

Make your tags look amazing with Edikio Chalk!
